

PRODUCT CODE

NESA NSD-433

PRODUCT DESCRIPTION

In-Dash Motorised 4.3" Wide Oversized Single DIN Monitor, FM/AM Receiver / DVD Player

NARRATIVE

Cutting edge single DIN Head Unit with 4.3" widescreen TFT-LCD. This entertainment system plays all formats including multi-region DVD, CD, MP4, MP3 and Divx as well as AM/FM radio. Plug in a rear view camera or Nav system for safety and convenience. The fully motorised face has 3 angle positions for optimum viewing. Audio is provided by the hi-powered 4 x 50w amp built in and 2 RCA outputs and 1 RCA input. A very reliable unit with digital & mechanical anti-shock with ESP memory, built in Dolby Digital, last position memory, on screen display and full function remote control. State of the art Razor soft touch buttons put you in the driver's seat of a very hot In dash DVD head unit with screen.
