

**PRODUCT CODE: CMD-Dual**

**BARCODE: 9332820005240**

**PRODUCT DESCRIPTION: CMD Dual Mount 170° Micro Camera**

**NARRATIVE**

The CMD-DUAL is a versatile camera offering a choice of mounting options with either bracket mount or flush mount simply by swapping the head. The bumper head can easily be painted to match the bumper for an OEM look. The micro connector is an installers dream as it allows the cable to be routed through small openings and grommets. CMD cameras offer a better image quality than CMOS cameras whilst remaining cheaper than CCD cameras, with its quality very close to that of the CCDs. This is the perfect model camera to sit on the shelf to cover any vehicle requirement.
