

PRODUCT CODE

NSCM-1128

PRODUCT DESCRIPTION

11.2" Wide 16:9 Universal Ceiling Mount Monitor

NARRATIVE

A great add on to any in-dash or in vehicle DVD entertainment system. This slim and compact roof mount monitor comes with 3 snap on colour skins: grey, beige or black to match any interior. Its large, high resolution widescreen allows all rear seat passengers to relax and enjoy their journey. With built in IR and FM transmitter, wireless headphones or any existing in-car FM radio can be used to enjoy the sound of movies or additional AV equipment that can be connected to the 2 AV inputs.
